Offices are equipped with:

- Internet and electricity connections
- internal blinds
- double floors
- openable windows
- parking slot
- terraces

Unique administrative project is located in an established area of Prague 4.

The building is easily accessible by public transport. In addition, the project is very well accessible by car from the Prague Highway, which allows easy access to the D1 motorway and then through the South Connecting Road to the international airport in Ruzyně.

A great advantage of this location is all the civic amenities and the presence of the shopping center Arkády Pankrác, where all services such as post office, shops, restaurants etc. are within walking distance of the building.
