Dubai Marina is one of the most prestigious and desirable residential areas in Dubai, known for its stunning waterfront and vibrant urban lifestyle. The district boasts a cosmopolitan atmosphere and offers a wide selection of restaurants, shops and entertainment options. The Dubai Marina Mall, with its array of upscale boutiques, cafes and restaurants, caters to a variety of lifestyles and tastes. Marina Walk, a seven-kilometre promenade, is a popular place to stroll, cycle or dine by the water. The area also offers access to pristine beaches and a variety of outdoor activities such as sailing, paddleboarding or water skiing -

perfect for relaxation and adventure.

One of the main advantages of Dubai Marina is its excellent connections to other parts of the city. Its proximity to Sheikh Zayed Road provides easy access to key business hubs such as Dubai Media City and Dubai Internet City. The district is also easily accessible by public transport, including the Dubai Metro and trams. With its luxury residential offerings, vibrant community and prime location, Dubai Marina remains one of the most desirable locations in Dubai.

We offer apartments for sale ranging from 1 bedroom apartments (from 38 sqm) to spacious 4 bedroom apartments (from 164 sqm), with prices starting from £7,806,045. For a complete list of available apartments, their layouts and prices, please contact us. A Czech-speaking broker will arrange a tour for you.
