From here, you will reach the kitchen area, which is connected to the living room and dining room, which has, among other things, a tiled stove. From the living area there is access to the 10 sqm balcony, from which there is a beautiful view of the city and the famous Kitzbüheler Horn.

The upper floor of the apartment, which has completely exposed rafters, impresses with large skylights. There is a small dressing room, a bathroom with shower, a spacious bedroom with a study area and additional built-in wardrobes.

The property is sold fully furnished and also includes a cellar and underground parking space.

The apartment is located right in the heart of Gamsstadt in the attic of the building, which is easily accessible thanks to a personal elevator. From this very well-maintained apartment building you can reach the city centre in just a minute's walk.
